

# WANTED for EuAWE XXV : SCIENTIFIC STUDIES ON VINE AND WINE

Deadline for submissions: January 06/01/2018

The aim of this conference is to bring experts from different scientific disciplines together and ensure professional exchanges between these researchers who work in fields related to vine, wine (and other drinks) and food. This event was initiated by economists (some of them econometricians) and is enriched by the contributions of Geographers, Lawyers, Historians, Medical Professionals, This conference serves as hub for researchers and practitioners alike to share knowledge, discuss contemporary developments of the wine sector and open an opportunity to take action in paving the way that will drive change for a successful future of the industry.
